

2018 Hatcher Barbera

Tasting Notes

This wine is an example of a 16-year relationship with a well-respected vineyard and winery in Amador County. The Cooper family has done a fantastic job for so long. Matt Hatcher feels very fortunate to have the relationship. Every five years or so, the Barbera has a little something extra special. This is one of those years. Aromas of raspberry and cedar. Flavors of blackberry and dark fruit. Medium acid that is so Barbera, makes this a favorite with food. A luscious finish leaving your mouth wanting more. Great with Italian food or a steak dinner.
